Invitation on Tree of SCO-Computing Power Technology Training

Chinese President Xi Jinping proposed at the 23rd Meeting of the Council of Heads of State of the Shanghai Cooperation Organization (SCO) to organize “Training of digital technology talents based on China-SCO Big Data Cooperation Center”. The SCOBDC has carefully planned high-quality training and talent exchange activities, and held the Tree of SCO—Computing Power Technology Training in Beijing, China from September 11 to 15, 2023. At the same time, the second phase of training activities is planned to be held in Shanghai, China from December 10 to December 16, 2023.

With the theme of "Gather Computing Power, Foster Dynamic SCO ", this training includes thematic course on computing power technologies, thematic seminar on computing power, and research on computing power enterprises.

We hereby cordially invite you to participate in the second offline training activity, which is proposed to be held from December 10 to December 16, 2023.

Annex I. Program for Tree of SCO-Computing Power Technology Training

December 11 Morning Opening Ceremony		
10:00-10:20	Remarks	
10:20-11:30	Remarks by Participants	
December 12 Computing Power Courses		
9:00-11:30	Innovation and Development in the Era of Computing Power	Experts
11:30-14:00	Lunch Break	
14:00-17:00	Analysis of Digital Infrastructure Development	Experts
December 13 Morning Thematic Seminar		
9:00-12:00	Topic Sharing	Expert representatives of SCO countries
December 14 Field Research		
December 15 Morning Computing Power Courses		
9:00-11:30	Current Development Status of Computational Power Technology	Experts

* Simultaneous interpretation is provided in English and Chinese.

Annex II. Intentions for offline participation in the second phase of the Tree of SCO-Computing Power Technology Training in December 10 to December 16, 2023

No.	Name	Country	Organization	Passport No.	Dietry Requirements

Annex III. Introduction to Shanghai City

Shanghai is a bustling international metropolis in China. Located at the mouth of the Yangtze River, it is the largest port city in China and one of the largest cities in the world. Shanghai is renowned for its unique historical and cultural attractions, prosperous commercial areas, and numerous world-class buildings.

Shanghai has a long history and culture, and is one of the pioneering and important nodes in modern Chinese history. It has always been regarded as one of the important hubs of traditional Chinese culture and historical civilization. It has rich and diversified traditional cultural heritage: Nanjing Road Walkway, Old Object Street, Bund Style Street, People's Square, Jing'an Temple, Xujiahui Water Town, Zhangjiang Industrial Zone and various folk cultural relics.

Shanghai not only has a unique historical and cultural charm, but also has excellent tourism resources. As the "capital of Lianjiang", it has many

scenic spots such as Lujiazui, financial center, Times Square, and countless unique and highly concentrated commercial blocks. In addition, Shanghai also has many outstanding and diverse tourist attractions, such as Longhua Temple, Pudong Avenue, Thousand Buddha Pagoda, People's Park, and a large number of theaters, cinemas, and museums.
